CISM ATHLETE OF THE YEAR AWARD (Standard Operating Procedures - Revision)

Date: 15th November 2023
valid for 2023 ADY selection (updated)
Updated by Cde-Ney Anderson - CISM Manager

Original drafted by: Col PEDRO CILSO GAGLIARDI PALERMO - PCSCR 2018
modified by CISM SD 2023

1. PURPOSE

The purpose of this document is to establish a standard operating procedure for the CISM Athlete of the Year selection process as required in CISM Regulations Art. 6.10 and to annually modify the timeline if necessary.

2. GOALS

The goal of this project is to identify and recognize the male and the female athletes on active duty, within the CISM member nations, who have had the most significant sportive performance, allied with the promoting CISM values and enhancing CISM visibility.

3. HISTORICAL BACKGROUND

The CISM Athlete of the Year was discussed few times and the Presidents of Sports Commission (PSC) officially proposed the topic to BoD during the PCSC Meeting 2017-1 by majority vote.

The PCSCR presented the first version of this SOP to the BoD, in November 2017. In 2018 the ADY was implemented in CISM Regulations and the first athletes were elected after 2018 WMC's. The second election took place after 2018 and, unfortunately, in 2020 there was no WMC due to Covid-19 pandemic. However, in 2021 was retained and the award was delivered during the 7th General Assembly 2022 - Lima Peru.

In 2023, the Sports Department received some feedback from PCSCs that the ADY process could be further improved. The new PCSC selection process with a commission is highly appreciated and the PCSCs have requested to look for a similar process for the Athlete of the Year process. During PCSC meeting 2023-3, PCSCs agreed that the new SOP as proposed in this DO, with the addition of a Selection Commission, will further improve the ADY process and support the BoD to choose the best candidates to award as CISM Athlete of the Year. This proposal was approved this inclusion during 3rd BoD meeting in Tunisia.

List of the CISM Athlete of the year can be conferred in the CISM website by: <https://www.milspun.com/cism/cism-athlete-of-the-year.html>

4. ELIGIBILITY

- ▶ **3. Submit the proposal to a CPC member or to PCSC
(before next closed CPC meeting)**

Proposed and discussed changes **not (yet?) adopted by CPC:**

- **calculating team overall**
 - *„ not fair“*
 - *use only FS and team accuracy*
 - *give last place +1*

CPC historical explanation:.....

Proposed changes (adopted** by CPC):**

- **Two FS block change Photon (11), Zig Zag (21)**
- **One FS random change Caterpillar (R)**

▶ History:

rules we had (discussed or implemented) in the past:

- In order to be ranked in team overall participation in all three disciplines was mandatory
- Not mandatory to jump, but every team that did not participate, got the highest placing
- - " - _____ -" - +1
- Teamleader had to sign a paper that the competitor is able to do 9sec or less in Style
- - " - _____ is able to do 4 points in FS
- Everyone who did not jump Style got a „bonus/ gift“ of 11sec

▶ Rationale for current 2024 rule:

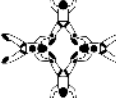

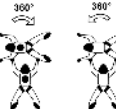

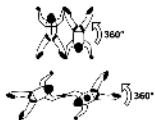

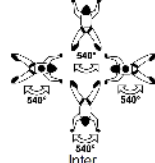

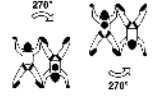

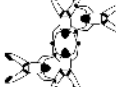

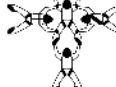

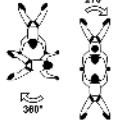

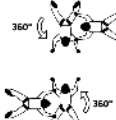

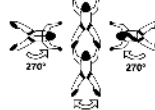

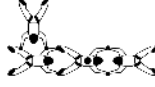

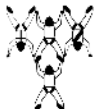

- **have all teams ranked in the overall**
- **increase number of Style participation (< 15sec) BUT also**
- **avoid that unnecessary flight/ competition time is used**

▶ Every change should consider the effect that it has later on

- ▶ **Parachuting Regulations final edition 2025 valid from **Jan 2025** will be published at CISM website after ISC plenary (draft will be there before)**
- ▶ **CISM FS Divepool:**
2 blocks 1 random replaced for 2025 rules

Jurate

Female Sport

No complaints of unfair treatment or unfavourable conditions (specific to female requirements) were noted

We are not so positive about the female participation at the moment. This year we have 4 teams less due to global situation and some delegation's internal problems.

Some positive news are a female team from Algeria and a participant from Romania

Should you have any questions or suggestions contact Jurate Verstrepén (contact see CISM website)

- ▶ **New rule in CISM Art. 6.6.E.:**
A coach can apply for a medal same as participants, but needs double number of participation.
- ▶ **Application and payment to be done by the CoD**

For example, a coach who participated in 3 MWC/MWG as an athlete and 6 times as a coach is eligible for a Gold Star ($3 \times 2 = 6 + 6 = 12$)
